

Dear valued Friends and Customers,

The current menu is a reduced and consolidated version of our full a-la-carte bistro menu. It is available throughout the whole venue during specified dining times.

You will note some changes to our regular format over the coming weeks and months, as we navigate through the recovery period and ensure we are both adhering to all Federal and State Government guidelines, together with ensuring your safety and wellbeing at all times.

We are a family owned and run Hotel and we welcome you as part of our extended family and sincerely thank you for all of your support, both during the enforced closures, but also now as we return to restricted trading.

Some key changes, which we appreciate your patience with include restricted number of patrons per area (maximum 20 per designated area), changes to trading hours, reduced menu offering (but with all your favourites still here) and no salad and vegetable bar. All main meals will now be served with your choice of either a side salad or hot steamed seasonal vegetables.

We feel so lucky to be living and working in South Australia, during these somewhat unusual times and are grateful to be back doing what we love most, serving great food and drinks with a friendly smile that only a family-owned Hotel can do!

Cheers,

Chris, Sandie & Team
