# SHERIDAN'S

## Lunch Menu

### Tradition Talks

In 1827, as building work started on a new Cathedral in Tuam, Sheridan's of Milltown was established just a few short miles away.

Changing with the times, yet proudly rooted in this historic village, Sheridan's has evolved into a modern, vibrant restaurant and bar with fully equipped large function rooms and accommodation.

Current Proprietors Cathal & Helen Sheridan are the seventh generation to run the family business.
